# WHATS ON OFFER?

This shoot is all about attitude, edge, and effortless cool. Inspired by '90s London fashion

🕒 Morning or Late Afternoon Sessions – Choose the perfect light for your editorial shoot.

🏠 Starting in Notting Hill – We'll begin at our accommodation, capturing the charm of London's iconic white townhouses and, if we're lucky, the delicate blossom trees that line the streets at this time of year.

📍 Exploring London's Most Iconic Backdrops – From the grandeur of Big Ben and Tower Bridge to the urban energy of the London Underground, red buses, and black cabs, every shot will embody the city's unmistakable style. We may also include Harrods, Oxford Circus, Westminster, or the London Eye, depending on the best available locations on the day.

📍 Curated Locations – While we won't visit every landmark, I'll scout out the best spots ahead of time. If you have a preferred location, just let me know when booking, and we'll make it part of the plan.

📸 4 Stunning Locations Per Shoot – Each session will take place across four carefully chosen locations, ensuring a diverse and dynamic set of images.

This shoot is all about timeless London energy—a mix of high fashion, street style, and cinematic moments. Ready to create something unforgettable? Let's do this! 🚗 ✨

## Shoot Details:

🕒 Timing: Choose between a sunrise session (approx. 6 AM) or sunset session (approx. 4 PM)

📸 Duration: Each shoot lasts around 4 hours

I shoot two girls per session, ensuring a relaxed and enjoyable experience. While I try to pair girls with similar experience levels, this isn't essential. Both clients receive equal time in front of the camera, though slight variations may occur based on lighting and surroundings.

In past shoots, this format has worked brilliantly, and many girls who arrived as strangers left as best friends! ❤️
