## Welcome...

My girly den is tucked away on a private farm in Leeds. It has been designed to immediately make you feel relaxed and get a big dollop of 'Girl Power'.

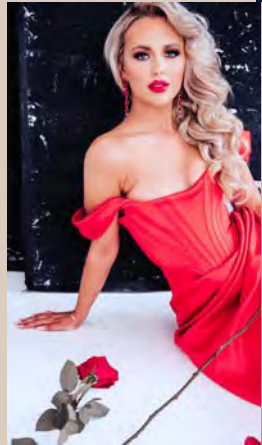

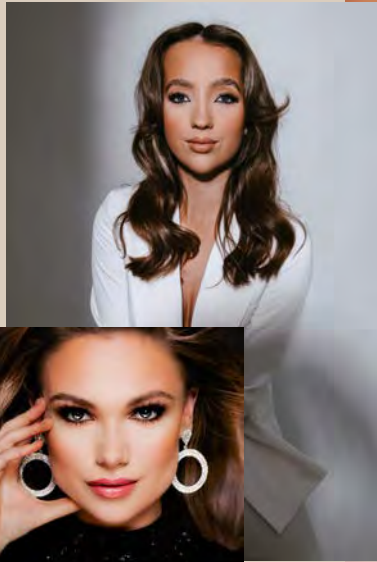

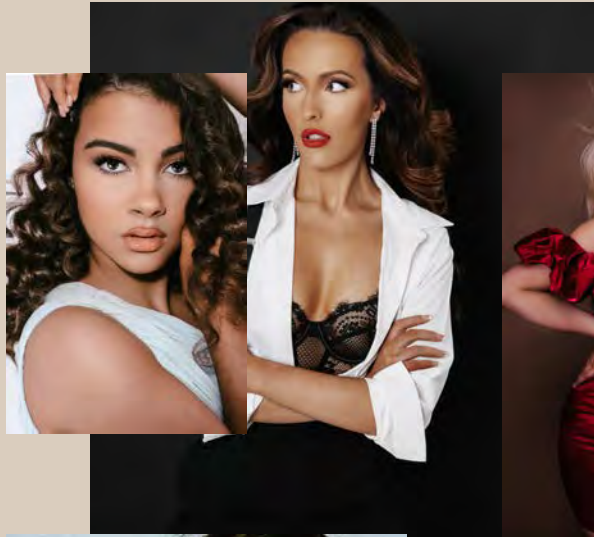

A Shoot with me is way more than just the final images. My aim is to create a memorable experience so you leave feeling the best version of you and ready to go and reach your next pageant goal.

Whether it's a photogenic worthy winning headshot or more of a fashion vibe for modelling work I will focus with each client individually to tailor the session to suit your needs.

Most of the girls I shoot have zero experience in front of the camera so there is no pressure to 'perform'. It is my job to get you into poses that compliment you. I will direct you throughout the shoot so all you need to think about is having fun.

## Pageant Glam Event Day

These sessions are set event dates that are released two times per year.  
Autumn/Winter & Spring/Summer.

To be first to know when the Pageant Glam Shoots are being announced it is advised to be on my Pretty List newsletter. On a Pageant Glam event day I have the top hair and makeup artists from the pageant industry in house ready to bring out your pageant girl glam.

You will book in for a set time, a max 6 slots are available on a Glam day. We don't want the girls to feel rushed and we like plenty of time for selfies, tik toks and dancing. We encourage girls to get in touch with others booked on the same day as themselves via our private facebook community group, 'Charlotte Shoot's'. With so many our clients travelling from all over the country it can be great to know who else is staying over the night before so you can make a girly pageant weekend of it!

When you arrive you are met in reception by a member of the team where you are offered a refreshment and chill before your shoot. You will then be called to go 'backstage' for hair and makeup hair and makeup if you wish to book it which lasts an hour, you then head onto your shoot with myself for another hour. You are welcome to stay all day and catch up with pageant buddies.

Not only an incredible photographer whose work speaks for itself. But Charlotte should market herself as a confidence boosting day - you leave feeling amazing, thanks to her fun and encouraging nature! I hate having my picture taken but Charlotte puts you at ease and makes you feel fabulous!

If you are thinking about booking - just do it! You won't be disappointed! Can't wait to visit her studio and team again in just a few weeks (and worth the 12 hour round trip in the car too)
