IBIZA

This year's Ibiza destination shoot is all about effortless luxury, timeless style, and the unmistakable charm of the White Isle. Set against the iconic cobbled streets of Ibiza Old Town, we'll capture elegant editorial portraits amongst the historic architecture, hidden alleyways, and vibrant Mediterranean atmosphere before heading to the coastline for relaxed, sun-drenched beach imagery.

This shoot offers the perfect balance of chic city moments and laid-back island vibes. From wandering through the character-filled streets of Dalt Vila to barefoot walks along the beach as the golden light begins to soften, every location has been carefully chosen to create a gallery that's both sophisticated and full of personality.

Whether you're booking a solo confidence-boosting session, celebrating with your partner, or simply treating yourself to an unforgettable experience in one of Europe's most iconic destinations, this shoot is designed to make you feel incredible. Using my signature editorial storytelling style, we'll create timeless, magazine-worthy images that feel natural, stylish, and uniquely you.

Think linen, flowing dresses, golden sunsets, salty sea air, and the effortless elegance that only Ibiza can offer.

Let's make magic in Ibiza in 2026.

THE VIBE

WHATS ON OFFER?

Ibiza Old Town & Beach Sessions

All shoots will take place around the beautiful surroundings of Dalt Vila (Ibiza Old Town), one of the island's most iconic and picturesque locations. We'll begin by exploring its charming cobbled streets, historic stone buildings, colourful doorways, and hidden alleyways before making our way down towards the marina and nearby beaches to capture those relaxed Mediterranean vibes.

Throughout the session, we'll photograph 4 different outfits across a variety of carefully chosen locations, giving you a beautifully diverse gallery that blends timeless editorial portraits with effortless holiday imagery. From elegant architecture and quaint cafés to golden sand and sparkling sea views, every backdrop has been handpicked to showcase the very best of Ibiza.

Shoot Details

Timing

Choose between a sunrise session (approximately 6:00 AM) or a sunset session (approximately 5:00 PM), when the island is at its most beautiful and the light is soft, flattering, and golden.

Duration

Each shoot lasts approximately 3 hours.

To create a relaxed and enjoyable experience, I photograph two clients per session. Everyone receives equal time in front of the camera, allowing us to make the most of each location while keeping the atmosphere fun, supportive, and unhurried.

One of my favourite parts of these destination shoots is the friendships that often come from them. Many clients arrive not knowing one another and leave having shared an unforgettable experience together, often keeping in touch long after the trip has ended.

Travel & Accommodation

Travel and accommodation are not included, allowing you the flexibility to plan your Ibiza trip exactly as you'd like. Flying into Ibiza is quick and easy from most UK airports, with plenty of hotels and apartments available in and around Ibiza Town. As all shoots are centred around Dalt Vila, we recommend staying nearby for the most convenient experience, particularly if you've booked a sunrise session.

As always, we'll create a dedicated Ibiza Facebook group where everyone attending can chat beforehand, arrange to travel together, share accommodation recommendations, and get excited for an unforgettable few days on the island.
