📷 **Duration:** Each shoot lasts around 3 hours

⚠️ **Please note:** Palma city shoots are only available in sunrise sessions, while beach looks are exclusive to sunset bookings.

I shoot two girls per session, ensuring a relaxed and enjoyable experience. While I try to pair girls with similar experience levels, this isn't essential. Both clients receive equal time in front of the camera, though slight variations may occur based on lighting and surroundings. In past shoots, this format has worked brilliantly, and many girls who arrived as strangers left as best friends! ❤️
