# WHATS ON OFFER?

## What is new for 2026?

This year, things are a little more refined.

We'll be shooting 4 outfits across 2 key locations, allowing us to keep the focus on you and your time in front of the camera—rather than spending half the session travelling across the city.

Each shoot is designed to feel seamless, intentional, and creatively led.

### Morning Sessions

Morning shoots will typically take place around Tower Bridge, Oxford Circus, and Big Ben / Houses of Parliament (locations may vary slightly by day).

These sessions capture that iconic London energy—think underground moments, black cabs, red buses, and the city just waking up.

### Afternoon Sessions

Afternoon shoots will have a softer, more lifestyle feel, typically taking place in Notting Hill / Portobello Road, alongside Big Ben and surrounding areas.

Expect a mix of colour, texture, and that effortlessly editorial London charm.

### Shoot Details:

Timing: Choose between a sunrise session (approx. 6 am) or sunset session (approx. 4 pm)

 Duration: Each shoot lasts around 3 hours

I shoot two girls per session, ensuring a relaxed and enjoyable experience. While I try to pair girls with similar experience levels, this isn't essential. Both clients receive equal time in front of the camera, though slight variations may occur based on lighting and surroundings.

In past shoots, this format has worked brilliantly, and many girls who arrived as strangers left as best friends!
