MEET CHARLOTTE

Who Am I?

As a former pageant girl and model—once even the real-life Barbie for Mattel—I've spent years immersed in the world of beauty, fashion, and photography

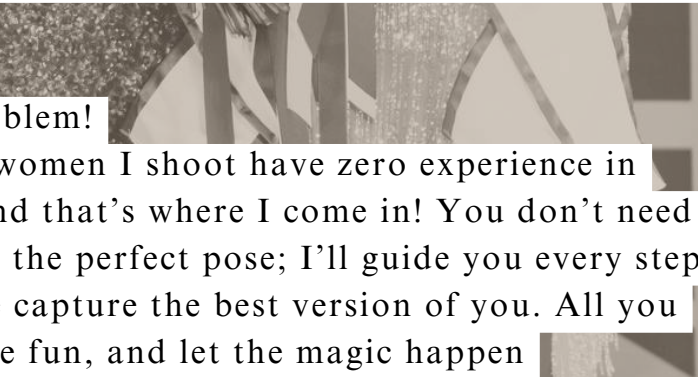

My private studio, nestled on a secluded farm in Leeds, is designed to make you feel instantly relaxed and empowered—with a big dose of Girl Power!

More Than Just Photos—An Experience

A shoot with me isn't just about the final images; it's about the experience. My goal is for you to leave feeling confident, empowered, and ready to achieve your pageant dreams.

Whether you're after a winning photogenic headshot, a beach body entry, or a high-fashion editorial vibe, I tailor every session to suit your individual needs.

No Experience? No Problem!

Most of the incredible women I shoot have zero experience in front of the camera—and that's where I come in! You don't need to worry about striking the perfect pose; I'll guide you every step of the way to ensure we capture the best version of you. All you have to do is relax, have fun, and let the magic happen
